Ideation Phase
# Define the Problem Statements

Date	19 September 2022
Team ID	PNT2022TMID52695
Project Name	Project - University Admit Eligibility Predictor
Maximum Marks	2 Marks

Problem statement:

A problem statement allows understanding your customer's point of view. The Customer Problem Statement helps you focus on what matters to create experiences people will love.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Student	Enroll for a course in a College/University	Have no clear view of eligibility criteria	Eligibility criteria varies for universities	Clueless and confused to apply for universities
PS-1	Student	Enroll for a course in a College/University	Unaware of scholarship schemes	Makes it hard to approach and claim funds from the organization	Demotivated as we gain no financial support
PS-2	Administrator	Get details of the students who apply for the course	Details furnished by the students are incomplete	Large amount of data in the database makes it difficult to access the server	Infuriate to download the documents of the students
